

NURSE ADVISORS
Nationwide

Are you enthusiastic, motivated and able to work independently in promoting a high standard of nursing care for patients with continence issues?

As part of a dedicated and experienced team of nurses you will be involved in assessing and fitting the most suitable products for these patients as well as building a relationship and working alongside professionals in the NHS.

We are looking for Nurses with a minimum of 3 years post registration experience. ENB998 and 978 would be an advantage.

Nurse advisor experience would be of interest, but key to your success would be your ability to communicate effectively with nurses and patients. This is a fantastic opportunity to continue using your nursing experience whilst moving into a commercial role.

IF THIS POSITION IS OF INTEREST TO YOU
